The system is not great for sure. We need to figure out a long term process, until then you can copy me. Thanks.

From this list, I was only the lead on getting the inspection report out for Hanover. Both the inspection report (to the facility) and updated ICIS Form (to Clarissa) were sent 3/15/2021. See attached.

Are we supposed to be cc'ing or bcc'ing you on these things when they go out?

Best,
Amanda
